Chapter 1 by Richard Adams

Come here you dumb dog, said the tired lady. Come here, come here, come here, she repeated. The dog didn't come to her until thirty seconds later. The lady then said, you dumb dog, these kids don't train you, it makes me so mad. Alright dog, let's go in the house to your masters.

Meanwhile, Britney and Robert are playing Advanced Warfare on the XBOX One.

This game is so fun I wish we could play more but, we have to go back to school tomorrow. Oh yeah that's right, Robert said. Do you think we should keep playing or go walk the dog, Robert asked. Let's go walk the dog, we haven't walked him in three days. Comet come here, the twins yelled.

They then leashed the dog, walked out the door, and locked the door behind them.
